2017 Summer Theme: "Jesus Names Us - Jesus Claims Us"

## We Are so Excited You are Coming to Camp Metigoshe!

We are so excited that you will be a part of our thrilling, Christ-centered summer. Our staff is ready and awaiting your arrival! Together, we will share a Christian adventure in the rustic beauty of Pelican Lake. Come ready to take the challenge of living life for all it is worth in Christ's name.

## What To Expect When You Arrive

When you arrive at Camp Metigoshe, you will be:

- Greeted at the front gate by a Camp Metigoshe Staff member
- Directed to a parking spot.
- Guided to the registration table (now in Anna Manor)
  - Please have any money for trading post, any electronics, any medications, and your health form (if not completed online) easily accessible at registration
  - Pick up early bird registration t-shirt (if applicable)
  - During this time, we will have some lemonade, coffee and delicious cookies available for you!
- Able to check in with our registrar and then visit with the camp nurse
- Brought to your cabin to meet your counselor and cabin mates, where the fun of the week begins!

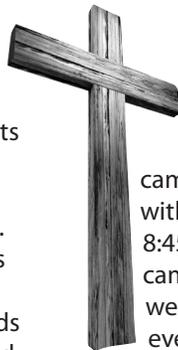

## Summer Service Project

Each summer Camp Metigoshe collects an offering at the closing program in which the funds support either local, national, or global causes.

With the Bible study focus this year being on water, part of our offering will go towards addressing water related issues on a global level.

Collectively we are able to make a large impact each year due to your generosity! Thank you in advance!

## Christ Hike

Everyone is invited to come to the Christ Hike – a walking passion play put on by the camp staff. The Christ Hike begins with a short worship service at 8:45 pm and concludes with a campfire. Family and friends are welcome to join us for this special event each Wednesday during the summer (starting June 14 and ending August 9). Please call prior to coming so we can anticipate your arrival and ensure the time has not changed (701)263-4936.

## INFORMATION

## Parents! A Few Details for You

We feel privileged your child is registered for camp this summer. Our accreditation by the American Camp Association (ACA) is your assurance that the highest standards of safety are practiced by all our staff. We will provide quality "Adventure Anchored in Christ." Here are some details that you will need to know:

- Final registration is between 4:00 and 4:45 pm. Please do not arrive before 4:00 pm.
- Please complete the online health form and other release forms that show on your dashboard once logged in.
- If the camp your child is registered for includes a high ropes experience, a release form must be completed. This can be accessed on your online account and submitted electronically, or it can be downloaded, printed, and complete the form manually and submit when checking in on the first day of camp.
- A closing program will be presented on Friday at 2:00 pm. Campers will have had lunch and be ready to depart camp at 3:00 pm. The campers' programs for Day Players, Trailblazers, and Homesteaders will be presented at 7:00 pm on Monday and Wednesday, respectively.

## Camper Medical Care

Your child's medical needs will be cared for daily by our health aid who is first-aid certified and in consultation daily with our supervising RN. All summer staff members are first-aid certified and trained in CPR. In the event of major sickness or injury, we will make every effort to contact you, and a staff member will transport your child to St. Andrew's Health Center. For unique medical conditions/needs, a registered nurse is on site for four of our nine weeks. If your child needs the services of an RN, please call us to learn when those weeks are and to discuss any medical conditions unique to your child. While your child is attending camp, Metigoshe Ministries assumes secondary insurance coverage.

## Special Needs or Concerns?

Please contact Program Director Logan Gooch (701-263-4788) at least one week prior to your child's arrival at camp if there are any special challenges or considerations (e.g., diabetes; severe asthma; emotional, behavioral, or social needs, etc.) for which our staff should prepare. We want to meet your child's needs as best we can.

## Release of Campers

Metigoshe Ministries requires written permission to release any child to anyone who is not her/his legal guardian. A "Parent's Permission To Release" statement is contained in the online forms. For every child's safety, personal information about any child will not be

released without the prior written consent of her/his parent or guardian.

## Cell Phones and Technology at Camp

*Camp is a place set apart.*

Old ways are new ways. Camp is about being in a caring community and living in relationship with God, self and others. Without the distractions of the outside world, campers are allowed to pray and play in new ways. Campers are allowed to use their imaginations, their ingenuity and creativity in new ways. Campers can see the world and interact with others in new ways. Because of this, we ask that campers leave cell phones, computers, electronic games, and other gadgets at home. A few reasons for this:

- Cell service at Camp Metigoshe is limited or not available.
- With outdoor activities, games, weather, etc, we do not want expensive devices damaged, lost or stolen.
- Campers are busy, involved in the daily life of camp.
- Because of this, we will continue to keep your child safe in all ways and keep you informed. We will contact you:
  - If there is an emergency concerning your child.
  - When there is weather-related news that impacts your child.
  - If your child is homesick and needs your attention and we cannot deal with it at camp.
- Because of this, even in our technologically advanced world, campers and staff can still remain connected to the world. You can:
  - Write letters to your camper
  - Write emails to your camper
- Trust that we will contact you if your camper has health concerns or is experiencing difficulties adjusting to camp.

*Camp is a place set apart...  
but is still connected!*

## A Note About Homesickness

Is this your child's first time away from family? Are there questions of how you will make it through the week? It is natural to feel uncertainty about being away from our family. As adults, we usually know how to deal with these feelings; oftentimes, kids do not. Here are some suggestions for you:

- Discuss what camp might be like and what they might expect. Watch the camp video together ([www.MetigosheMinistries.com](http://www.MetigosheMinistries.com)) or arrange to visit camp ahead of time. Let them know what you will be doing when they are away.
- Arrange for a first-time camper to attend camp with a friend or relative. Make sure they are both registered with the cabinmates of their choice.
- Allow campers to help pack what they will bring to camp.
- Overcoming homesickness will be a great success for your child. Phone calls from you or to you will prevent this opportunity for success. Please review the cell phone article.
- It's not helpful to tell your child that you will come and get him, or call her. Simply assure your child of your love and that you are so proud of his/her courage to try something new.
- Send self-addressed stamped envelopes or postcards with your child so he/she can write home easily.
- Send along a picture of the family.

If a camper does become homesick, we keep him/her busy with the normal flow of the daily schedule. If we feel concern about your child's adjustment to camp, we will contact you.

# Don't Forget!

Please remember to label all of your belongings with your name. Also, please encourage your child to check for their belongings at the end of their camp week. Our lost and found is huge at the end of the summer.

## Summer Bible Study Theme Overview

This summer, we will be diving into how God uses water, the most basic and everyday object, to do miraculous things. Woven throughout our theme is one of the two Lutheran sacraments – baptism. Campers will dive into four Bible stories that shower them with new awareness of how water and life are gifts from God which name us and claim us as God's very own. Campers will discover God's presence in the forming of creation, the baptismal waters of the Jordan, the well of living water, and the healing at the Pool of Siloam. At each location, physical and spiritual transformation occur; each act of extravagant grace leads changed people to invite others to join them at God's table, where we are all welcomed, blessed, and transformed. Through each day, campers will learn of God's promise as stated in our summer theme verse, "Do not fear, for I have redeemed you; I have called you by name, you are mine."  
–Isaiah 43:1

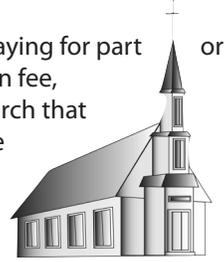

## Money Matters

Remember to pay your balance due at least

two weeks prior to the beginning of your child's camp session. Balances not paid two weeks prior will have an additional **\$20.00 late charge** applied to the balance. Any cancellation after May 31 or within 30 days of the registered camp session will forfeit the \$100 deposit.

If your church is paying for part or all of your registration fee, please notify the church that payments need to be submitted to us one month prior to your camp. This allows us to update your balance and email you an invoice with the remaining amount due.

## METIGOSHE MINISTRIES

## Complete Your Registration Process Online

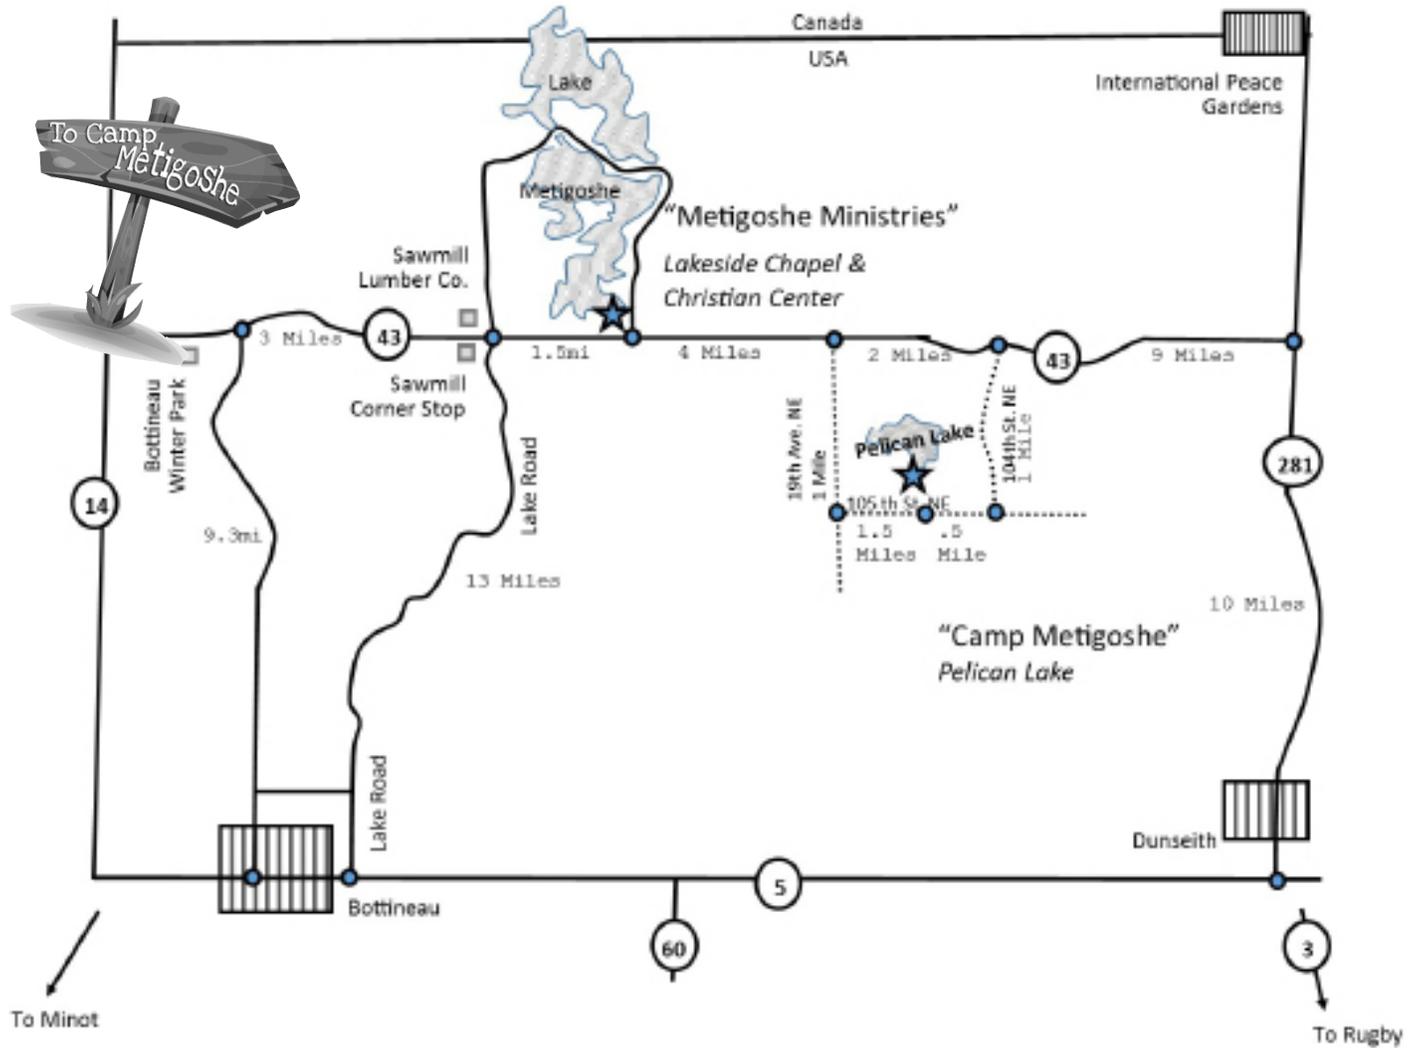

If you registered online, you already have an account login and password. If you registered by paper, a login has been created and emailed to you. Please contact Peggy at [registrar@metigosheministries.com](mailto:registrar@metigosheministries.com) or call the office at 701-263-4788 if you did not receive or misplaced this login.

### Your online account allows you to do the following:

- Pay any balance due before arriving at camp. (All account balances must be paid 2 weeks prior to camp to avoid late fees.)
- Complete and submit the online Health and Medical Form. Complete and submit the online High Ropes Release Form for those entering 8th Grade and above.
- Deposit money into your trading post account to use during camp to purchase the cool Camp Metigoshe merchandise. (Optional)

### Using the online account for the tasks listed above will benefit you not only this year, but for future years too.

- Any information entered on your account will carry over for future years. All you will need to do is update your information each year, making registration a quick and easy process.
- All information on the health form will also be saved in your account. You simply need to update any new information each year. This is a huge timesaver!
- When forms are completed and submitted using your online account, the registration process on the first day of camp will be a quick process. We will have all the information ahead of camp, allowing us to streamline the registration check-in procedure.
