Our Family's

Begin devotion time by lighting a candle to remind your family that God is there with you. OR, have your family come up with your own way to start out devotion time.

Adventure

Read 1 Corinthians 13.

Some talking points:

- During these busy times how do you express your love for one another?
- Are there places in your life where you have experienced God's love for you or someone else?
- What verse is your favorite and why?

Anchored

As a family, read Acts 2:1-11. What strikes out to you in these verses? What is the Holy Spirit? What did the Holy Spirit make all these people do? How would you react if you were a part of the crowd? How many regions or cities were named in this passage? Try re-reading this passage and have each family member come up with a word or two that stands out to them.

In Christ

Jesus' love for us lead to His death for our sins. What can you do to show love for one another and those in need. Have each family member set at least one goal that they will accomplish in order to do this.

OR come up with an adventure your family thinks would be a great way to prepare for the upcoming months.

Close in Prayer

Pray your own prayer, or use this one:

Good and gracious God, Thank you for the warm weather and the knowledge that we have people who love us. Help us remember to love others the way you love us. Help us to forgive those who wrong us and keep us from harming others. Be with us in the good times and the bad. Help us love. Amen.
