

"Thank you for a safe, thoughtful approach to summer 2020. Special kudos to nurse Lynn Johnson and all the directors for all the COVID planning and sticking to the plan even when it was hard...I love that my kids learn about love, discipleship and the Lord while having fun and thinking this is the coolest life. Metigoshe is a Gift of God in and of itself and through it we all experience God's blessings."

-THEA ROTHMANN, camper parent and summer staff alumnus

"Camp Metigoshe is a very special place, and Grandparents Camp is a special time, for grandparents and grandchildren to have quality time together learning great lessons about God, God's world, and how to live in it."

-MARY NORDMARK, who came to grandparents camp in 2020 with grandson Brandon

"I love Camp Metigoshe because you learn about God, others and yourself in a peaceful and loving environment in nature – with a splash of fun and awesomeness added to it!"

-KRISTA PERMENTIER, camper

"Metigoshe is a very organized camp that allows children to unplug from everyday noise and learn with their fellow peers about Jesus in the most fun ways ever!"

-NATASHA CHRISTIANSON, camper parent

"This year was weird because it was hard to 'be together,' but when everything in the world felt like it was falling apart, it was nice to have a home with a community that was united by camp and our commitment to ensuring an Adventure Anchored in Christ."

-MIRANDA SKANCKE, 4th Year Summer Camp Staff

"I experienced Adventure Anchored in Christ through all of camp. Whether it's deep conversations with campers or playing in a silly skit, I can see the love of God through everyone. Even during a pandemic we were able to connect virtually and 'be together.' Camp staff truly goes beyond expectations to share God's love."

-TRENT HUNSKOR, 2nd Year Summer Camp Staff

AN URGENT APPEAL TO SUPPORT
THE RESURGENT, CHRIST-CENTERED
MINISTRY OF CAMP METIGOSHE

The Resurgency Appeal

Goal \$235,000

As Metigoshe carefully resumes full ministry activity, it is critical to be able do so at full capacity and from a healthy financial position – it is urgent that gifts are available to help the resurgent ministry! That is why “The Resurgency” appeal has been launched.

The appeal will run from October 1 through December 31, 2020 and will seek gifts from the many and generous supporters of Metigoshe Ministries. Every new gift that is received between October 1 and December 31 will help in attaining the \$235,000 goal. As of October 15, \$47,000 in new gifts have been received toward the appeal goal. We’re on our way!

A Match for Your Response!

Every gift of any amount will be Important to the effort. Every gift received between October 1 and December 31 will result in an additional gift of \$200 from challenge gifts totalling \$40,000 provided by loyal Metigoshe donors. Gifts may be made by check, credit card or committed as pledge to be paid by year’s end.

A table of gifts appears on the back of this brochure. The table indicates both the dollar size of gifts that will be needed and the quantity of each level of gift to subscribe the goal.

The 2020 Covid19 pandemic has been challenging for many and certainly for Metigoshe Ministries. But our vision and mission have not been altered. Much prayerful and science-based consideration has been given as we have sought to safely live out our mission.

All camp, conference and retreat programs were cancelled from March through the end of June. This resulted in considerable lost income. Some program income and expenses were reduced, while fixed overhead and operating costs continued. Additionally, fixed overhead, operating costs, and program expenses are expected to increase as a result of the pandemic.

It was thrilling to begin welcoming 458 campers beginning late in June. But that was only 1/3 of the total normal number of campers each summer. Attendance was hindered because of a shortened season and the number of campers per cabin was limited to one-half capacity to provide safe distancing. We could not safely conduct any Day Camps or Voyageur programs - meaning another 1,200 campers missed for the summer!! And crucial investments were made to provide modifications to ensure virus free environments throughout all facilities.

This has created financial challenges to our ministry as we carefully navigate our way into an uncertain future.
